Simpsons Office Solutions Ltd is a family run company based in Worksop, Nottinghamshire offering a 'one stop' solution for all your office setup and cabling needs. We have worked with businesses of varying sizes and professions from 2 users up to 200+ on a wide range of projects all over the country whether on permanent installations or temporary site setups.

We have extensive experience working within the construction industry on many site cabin installations for data connectivity, this can involve the installation of data cabinets and cable trunking. This allows your Wi-Fi points, printers, phones, PC's and laptops to be connected together with a shared internet connection to maximise staff efficiency and minimise costs.

We are very flexible in our approach and can offer you after hours services if you prefer to minimise disruption to your staff and business, we can assist you with everything from full IP network cabling solutions, monitored CCTV systems to custom access control equipment. We can also offer office design, furniture build, internal alterations and decorating services.

Most of the work is done in-house but we have a list of trusted contractors for things such as specialist gas and electrical works, this allows us to work alongside contractors towards the final goal. We believe that SOS really is “All Your Office Needs” so please call, email or visit the web site to see how we can assist your business with any of the services listed below:

- Network & Data Cabling Works
- Structured Cabling Management
- Access Control Installation & Repair
- CCTV Installation, Repair & Upgrade
- Laptop & PC Supply, Repair & Upgrade

Please contact Rob @ ‘SOS Ltd’ by phone or email to discuss your requirements and get a free quotation.

If you would like a personalised site survey completing please get in touch to arrange this, these can usually be carried out within 48 hours to suit your availability.

SOS Ltd has its premises in Worksop, Nottinghamshire where we carry a wide range of stock items to allow us to complete most jobs in a single visit. Our on-site workshop allows us to configure equipment before we attend site which reduces the time spent installing it all.

We use only the best materials and parts available to ensure that you as the end user get the best possible service. All work completed comes with a 12 month warranty and a full VAT invoice is provided for each job. Payment can be made by either cash, BACS or cheque.

UK VAT Registration Number: 273 8687 51

Company Registration Number: 07670331

We have been trading since August 2017, we have worked on projects of all shapes and sizes across the country. We have done works in offices, factories, workshops, maintenance depots, schools, construction sites, power stations and gas terminals to name a few.

All of our work is fully insured and our staff have completed CSCS, SSSTS, PASMA and IPAF qualifications to allow them to carry out their works to the highest standards. They are all DBS checked and carry the necessary PPE and access equipment to comply with all site H&S policies. Domestic, commercial, industrial and contract works are undertaken across the UK.
